

FISITA 2016 Islands of Excellence: Important Information

The FISITA 2016 World Automotive Congress is proud to offer **five (5)** Islands of Excellence exhibition stands, where the best selected universities and their students will be able to showcase their automotive-related engineering projects to FISITA 2016 delegates at the BEXCO, Korea.

The Judging Panel will review all applications and select the five best applications to exhibit at FISITA 2016. Each 'Island of Excellence' will be represented by the applying University/s and students, who will demonstrate their project or research to delegates, exhibitors and attendees at the showcase stand.

The following will be provided free of charge to the five winners:

- Space (max. 60 m² per island)
- Basic equipment: carpet, walls (2.5 m high approx, for display of posters), plasma screen (42"), furniture: table, chairs and counter
- 2 x exhibitor badges (The exhibitor badges entitle exhibitors to attend the Opening Ceremony, Welcome Reception, Farewell Reception and to visit the exhibition area. Please note that exhibitor badges do not include the participation in the Congress).
- 1 x full Congress ticket (giving access to participate in Congress sessions as well as access to the Opening Ceremony, Welcome Reception, Farewell Reception and to visit the exhibition area)
- Detailed description of the project displayed in the FISITA 2016 Congress Programme.

Any additional equipment including any additional exhibitor or Congress tickets should be ordered separately and will be invoiced separately. The application form is on the website. If you have any further questions please do not hesitate to contact:
